

BUSINESS LITIGATION

A company's ability to achieve long-term objectives can be impacted by litigation. McKool Smith takes a business approach in helping companies determine their legal options and litigation strategy. Commercial litigation is at the heart of what we do. We have represented our clients in virtually every kind of case and in every kind of forum. McKool Smith is engaged in commercial civil trial and appellate litigation throughout the United States.

The firm's practice encompasses a broad range of commercial actions including:

- Antitrust
- Arbitration
- Bankruptcy Litigation
- Business Tort Litigation
- Class Action Litigation
- Contract
- Environmental
- Oil & Gas
- Securities
- Technology
