HOUSTON

McKool Smith's Houston office is located at the center of the downtown business district in the state's largest metropolitan area. The firm's Houston attorneys provide years of trial-tested experience handling bankruptcy matters and commercial litigation for some of the world's most-recognizable companies and individuals.

Known as the "Energy Capital of the World," Houston also is home to many of McKool Smith's longstanding clients, including many successful companies in the energy and technology industries. The firm's Houston team is made up of seasoned trial lawyers who are recognized as leaders in the legal and business communities, including a former federal prosecutor and veteran attorneys with litigation experience in state and federal courtrooms throughout the nation.
