ASHLEY N. MOORE*PATENT AGENT*

Ms. Moore is a registered patent agent with over seven years of experience in the field of intellectual property, spending the first five years of her career at a large, national law firm where she prepared and prosecuted patent applications. Ms. Moore is currently attending law school at Southern Methodist University's Dedman School of Law and now focuses her practice in the areas of intellectual property licensing and litigation support.

Her technical background and knowledge base include a heavy emphasis on semiconductor processing and wireless technologies, and experience in many other electrical and mechanical technologies as well.

PROFESSIONAL ACTIVITIES

Registered U.S. Patent Agent.
