# THE MCCA DIVERSITY HONORS GALA

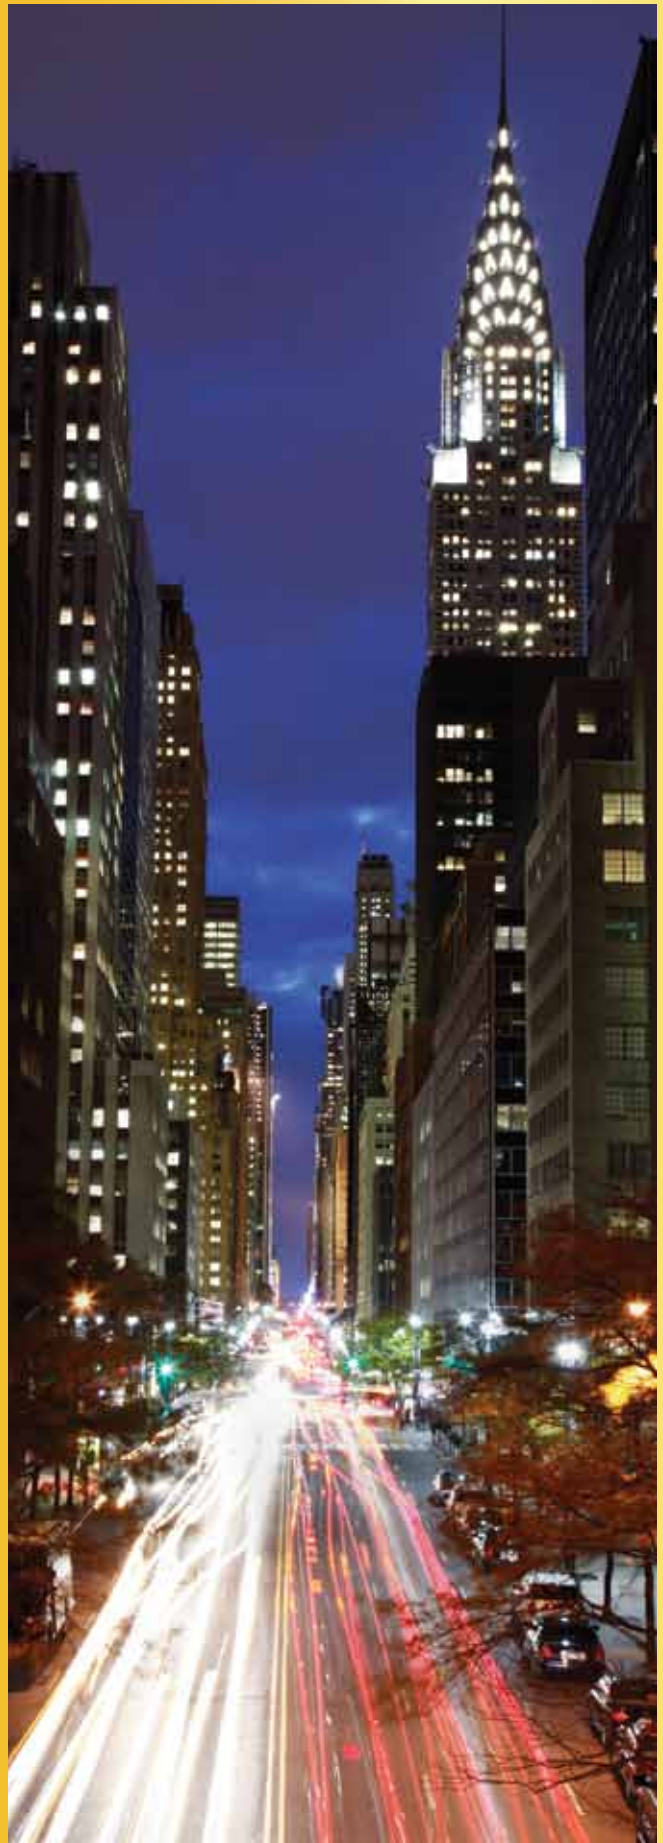

ALICE TULLY HALL | LINCOLN CENTER  
SEPTEMBER 27, 2011

The MCCA Diversity Honors Gala is the premier national awards program honoring the foremost corporate law departments from across the nation for diversity and industry leadership as well as achievements in their legal department diversity programs.

This first-of-its-kind, fresh, new format includes an exclusive networking reception and "Oscar®-like" awards program that combines honors with entertainment in the famed Alice Tully Hall in Lincoln Center followed by an elegant dinner reception.

Awards Include:

**MCCA's Employer of Choice Award** – honoring general counsel and their law departments for their success in their internal and external diversity initiatives.

**The MCCA Lifetime Achievement Award** - presented to an individual who has made important and lasting contributions to advancing a society that fully appreciates, celebrates and recognizes the value of diversity.

**Diversity Innovators** – national recognition of innovative diversity programs implemented in corporate legal departments and the law firms that serve them.

The MCCA Diversity Honors Gala at Lincoln Center will replace the Regional Diversity Dinner Awards series and offer increased opportunities for participants to interact with the MCCA network on a national scale. Sponsorships of this program provide high-level visibility to the MCCA network through various outlets including [mcca.com](http://mcca.com) and Diversity & the Bar magazine with unparalleled onsite access to the honorees and special guests.
