## Relax and Enjoy Your Time at the JW Marriott Resort and Spa!

# River Bluff Water Experience

### Water Slides

Guests can ascend the Water Tower adjacent to the children's pool to access the Acequia Tube Slides. At the 35' high start platform, guests will not only experience an expansive view of the surrounding landscape and Water Experience, but also the excitement of the twists and turns awaiting them in the two 275 foot long Acequia Tube Slides.

### Lazy River

Grab a tube and enjoy the 1,100 foot lazy river! This is a perfect opportunity for guests to take a leisurely float around the grand cabana and leisure pool deck areas.

### Kid's Pool

Created for activity and child's play, the Children's Pool area features a zero depth beach entry pool with two kiddie slides (4' ht. and 6' ht. above the water) and multiple spray activities to provide hours of enjoyment. From this area, guests can interact with others floating along the Pedernales River.

### Pedernales River

The Pedernales River is a 650-foot innovative and unique custom water ride experience. Utilizing lower gradients and higher volumes of water, the slide is very similar to a natural river. The swift current produces a fast moving, powerful ride experience that literally carries rider and tubes from one curve into the next.

### Adult Pool

Adults can relax and enjoy the views while listening to the waterfall created by the infinite edge along one side of the adult leisure pool or from the adjacent adult whirlpool.

## Take Advantage of the Beautiful Outdoors!

### The resort offers:

*Stargazing, Guided Trail Rides, Texas Dinosaur and Jr. Naturalist Programs. With several different running and walking trails, golf courses, and a fitness room, you can stay healthy while having fun.*

## End your day at the Lantana Spa

Which features 30 treatment rooms, including two couple's treatment suites and two outdoor private treatment rooms.

A complete fitness center and studio features the latest in training. Between treatments, guests can enjoy the peaceful serenity of the lagoon-style pool, healthy refreshments at the café, or shopping at the boutique.
